

Editorial Introduction

This July, the *Independent Journal of Management & Production (IJM&P)* is launching a Special Edition in partnership with the Organizing Committee of the *2nd Logistics Congress of IFSP- Suzano (IFLOG)*, held by the *Federal Institute of Education, Science and Technology of São Paulo - Suzano Campus*, in October 2016.

The *IJM&P* and *IFLOG* partnership, to publish this SPECIAL EDITION, aims to promote the most relevant papers presented during II IFLOG, showing the results of the best of the research carried out and presented during the event.

We congratulate all the authors for the papers presented during II IFLOG and that, by merit, had their papers accepted in our journal in english. We would also like to thank the scientific committee of II IFLOG for its support, from the selection of the best works to the finalization of the publishing process.

In Table 1 we present some information about the event showing its relevance.

Table 1 - Editorial information of II IFLOG

Indicator	Quantity
Submitted Articles	113
Approved articles	89
Articles approved for IJMP	14
Number of participants	770

We hope that our effort in publishing this Special Edition will be useful to all our subscribers, as well as to the international scientific community. In desire that the *IJM&P* and *IFLOG* partnership continue to yield positive results for Brazilian research in the most diverse areas, we are currently working on the organization of the 3rd Logistics Congress of of IFSP - Suzano - III IFLOG, to be held between October 18 and 19, 2017. We invite researchers to submit theirs papers and soon we will be releasing more information about the next edition.
